## REPORT OF ANDOVER TOWN LIBRARY

### 1936-1937

The Board of Trustees of the Andover Library are pleased to submit the following financial report since it plainly shows that with the adequate sum so generously raised by the voters at last town meeting, its expenses have been met and bills paid in a business-like manner. The interest from the various Trust Funds will be spent to purchase new books, the purpose for which their donors intended it, as shown by their instructions. The Board respectfully asks the same support for the coming year that both branches of the Library may be appropriately maintained.

The Library at East Andover, augmented by the many volumes presented by the N. J. Bachelder Estate, has outgrown its present location. It will be necessary to move to larger quarters, in order that books stored in several places may be assembled in one room. This, it is hoped may be done in the spring and with small expense.

The patronage of both branches of the Library and the circulation, have been very gratifying throughout the year. With the addition of new volumes an increase in both will, no doubt, result. All residents of the town are urged to avail themselves of the opportunity to enjoy the town's books.
